Points to Ponder to Prepare

November 1

One of our longest-term ministry partnerships is with the Crossroads Christian Fellowship in Marquette. Their ministry has made a huge impact on the families that participate and on their broader community.

Our prayer is that God will continue to bless them to be a blessing in their corner of the Upper Peninsula. We are grateful for Andy and Karen Liimatta who give leadership to this growing congregation.

Next Sunday, Andy will be joining us to preach in the morning and evening services at Vogel Center. Come and be blessed by Andy's ministry among us but also learn more about how we can prayerfully deepen our partnership with Crossroads.

Prayer Focus

Our prayer focus this week is for our support for local Headstart families providing winter wear for children. Our church supports all the little people at the Falmouth Headstart by donating all the winter wear that each child needs. With the support of our congregation the little people are just a little extra warmed and loved each and every day.

✞ Please take time this week to pray for the little people at Falmouth Preschool who will be receiving their winter wear.

✞ Pray for those who donated towards our winter wear collection, thanking God for their warm hearts and generosity.

✞ Pray for all the teachers and helpers that God will grant them the grace, love, and patience to teach and help all the little people.

✞ Pray that all the little people will have a fun year making new friends and learning new things.
